## TO WHOM IT MAY CONCERN

This is to certify that Subhajit Saha has successfully completed the Graduate Rotational Internship Program at The Sparks Foundation for a duration of one month from Sep 2021 to Oct 2021 as a Tech Intern.

Subhajit Saha did an excellent job in this position and was an asset to our organization during his internship tenure. He has excellent analytical skills and he was able to learn new skills and adapt to new technologies in a very short span of time, thus being productive quickly.

Subhajit Saha was always willing to offer his assistance and had excellent rapport with his team members. He would be an asset to any employer and I recommended him for any endeavor he chooses to pursue.
